	Sticky knowledge
	You are responsible for your actions whilst using technology. Actions have consequences. Information can be lost or shared. People can impersonate others. Valuables can be lost.
	Trusted adults are parents, carers, teachers and family
	When keeping children safe online, Childnet, and CEOP are safe websites which offer support.
	Gmail, Outlook are examples of online messaging services. Social media can be used as a communication tool (WhatsApp). Communication on online platforms should be respectful and polite.
	Plagiarism is presenting work or ideas from another source as your own, with or without consent of the original author, by incorporating it into your work without full acknowledgement .

IS FOR SAFE
Never give out personal information to strangers on the internet. Personal information includes things like your home address and your birthday.

IS FOR NEVER MEET
Never ever meet up with a stranger you have met online unless a parent or guardian has said it is ok and is present. Never, never, never, never, never.

IS FOR ACCEPTING
Don't open emails from people you don't know, they could contain viruses. If you get a strange email from a friend and you think they might have a virus make sure you let them know!

IS FOR RELIABLE
Don't believe everything you read online, check your facts! Did you read it on a reliable website like the BBC? Are other websites saying the same thing? Does it tell you where they got the information from?

IS FOR TELL
If you have an online safety problem, make sure you tell someone. Tell a parent, guardian, or teacher as soon you can.
