

Monday 7 September 2026

Dear Parents/Carers,

Ancient Greek Day

As part of the enquiry, What shapes a places story?, we have arranged an Ancient Greek day for our Year 3 pupils on **Wednesday 30th September 2026**. The purpose of the day is to enhance the learning experience for the children, providing an experience that immerses them in what Ancient Greece was like.

We would like to invite the children to come dressed in traditional Ancient Greek attire, such as tunics, robes or togas (this could be as simple as a white bed sheet) and sensible footwear. Below are some simple ideas which the children could wear.

What to Wear

Ancient Greeks wore simple tunics with cloaks. To make one, fold a long rectangular piece of material in half and cut a semi-circle shape in the fold to go over the child's head. Then use rope, cord or a leather belt to gather in at the waist. Alternatively, a long, plain T-shirt (no logos) which is belted could be worn.

Here is a link to a video on how to turn a pillow case into a tunic.

If you have any questions, please come in and see us.

Kind Regards,

The Year 3 Team
