

Monday 5 October 2026

Dear Parents and Carers,

We would like to invite you to a short information meeting regarding the Year 4 Multiplication Tables Check (MTC), which will take place on Thursday 15th October 2026 straight after school (3.30pm) in Miss Brooks' classroom at Kirkstead Junior Academy.

The MTC is a statutory assessment introduced by the Department for Education (DfE) to determine whether pupils can fluently recall their times tables up to 12×12 . It is designed to support the ongoing development of numeracy skills and is a key focus in Year 4.

During the meeting, we will:

- Explain what the Multiplication Tables Check involves and how it is delivered in school.
- Share how we prepare pupils in line with DfE guidance, including the use of online platforms and classroom strategies.
- Offer practical tips and resources to help you support your child at home in a fun and engaging way.

This is a great opportunity to learn more about how we work together to build confidence and fluency in multiplication facts, and to ask any questions you may have.

We hope you can join us and look forward to seeing you there.

Warm regards,

Mrs Moody & the Year 4 Team
