INTERVIEW WITH A TEACHER

By Lottie, Year 3.

I had the pleasure of interviewing Mr Maycock and Mr Dickson about their time as a teacher and what a day in the life looks like.

It was mind blowing how much time they dedicate to their jobs!

Breakdown of the day:

Arrive at 7.30 getting ready for the day. Fetch the children at 8.50 and start teaching all day. The main thing is working with the children and making sure they are happy. It's very important work. When the teachers go home, they sometimes do more work, and don't forget staff meetings. They give so much of their time, to make sure we can all be the best we can be!

A NOTE FROM OUR HEADTEACHER

It has been a wonderful spring term and a joy to see our children develop and grow. The newspaper has been a huge success and I am proud to see how many people have shown such writing for pleasure! I can't wait to see what the summer term will bring.

Have a wonderful half term. Mrs I

NEWSPAPER LAUNCHES:

Pinxton needs writers, don't forget to post your submissions in the Golden box!

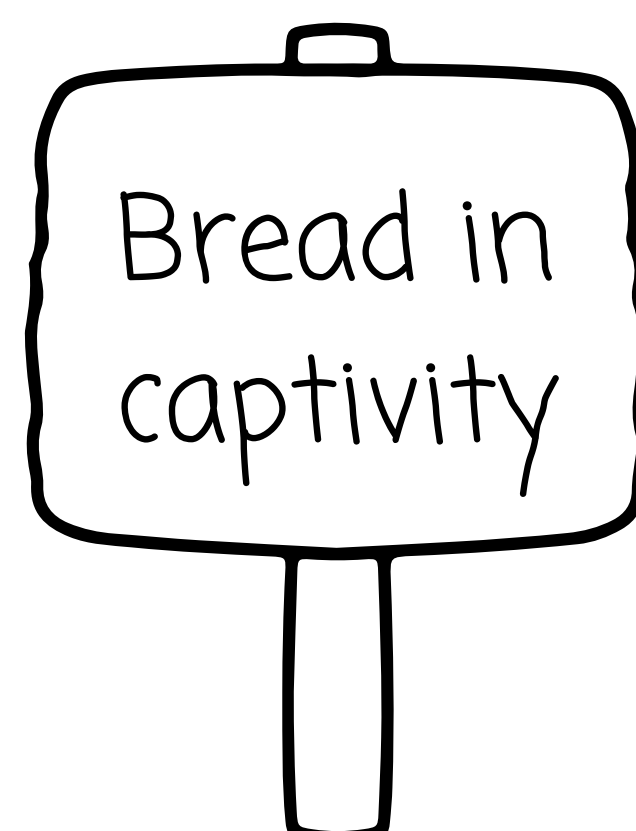

Year 3 head back into the Stone Age!

Comedy Corner

I saw a piece of bread in a cage and a sign that said.....

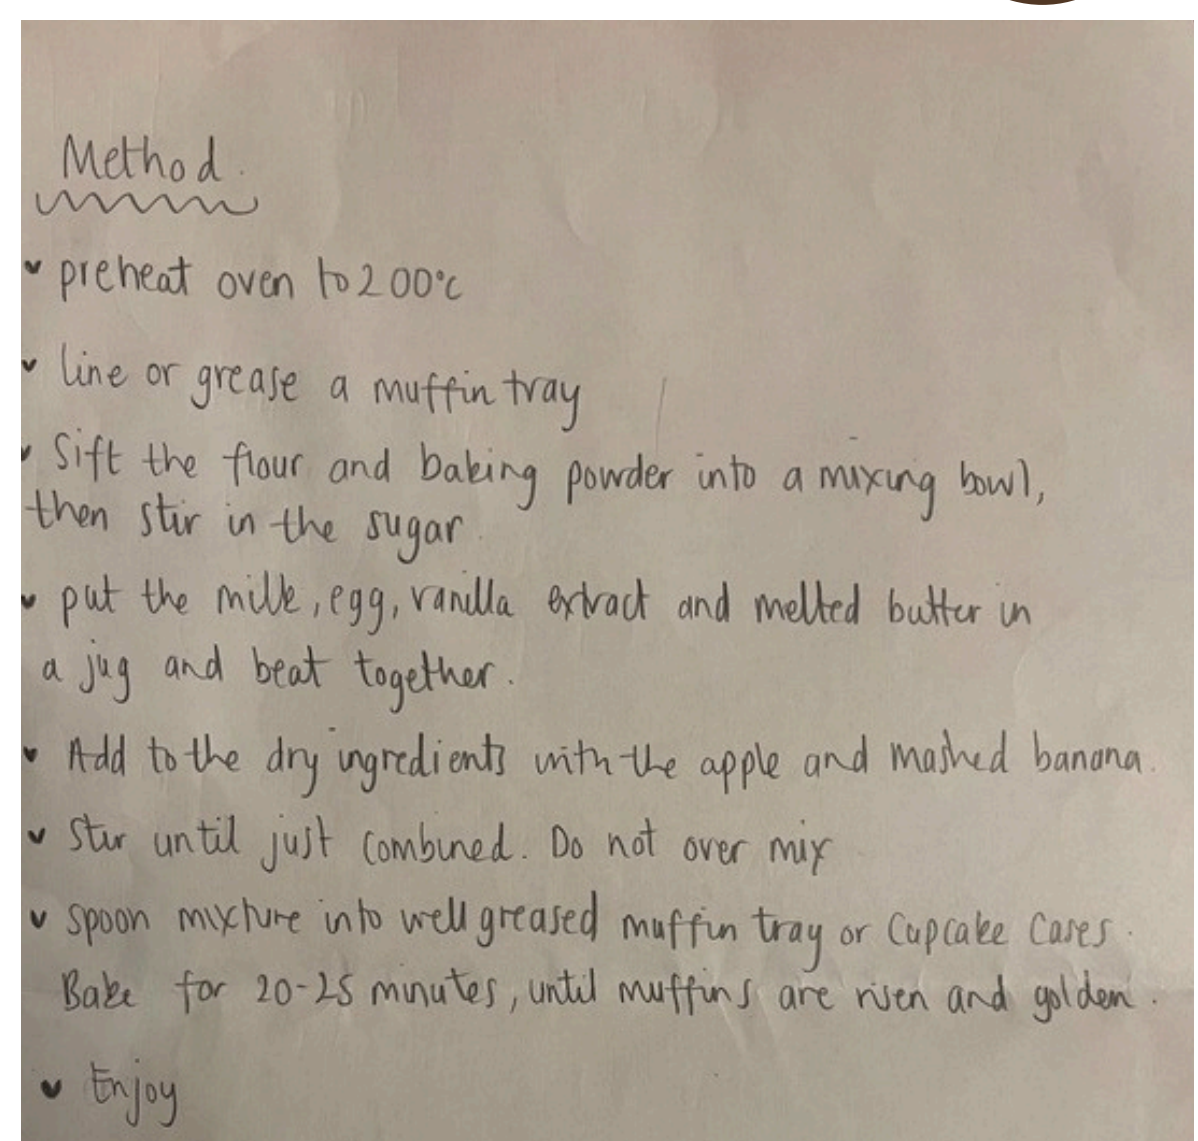

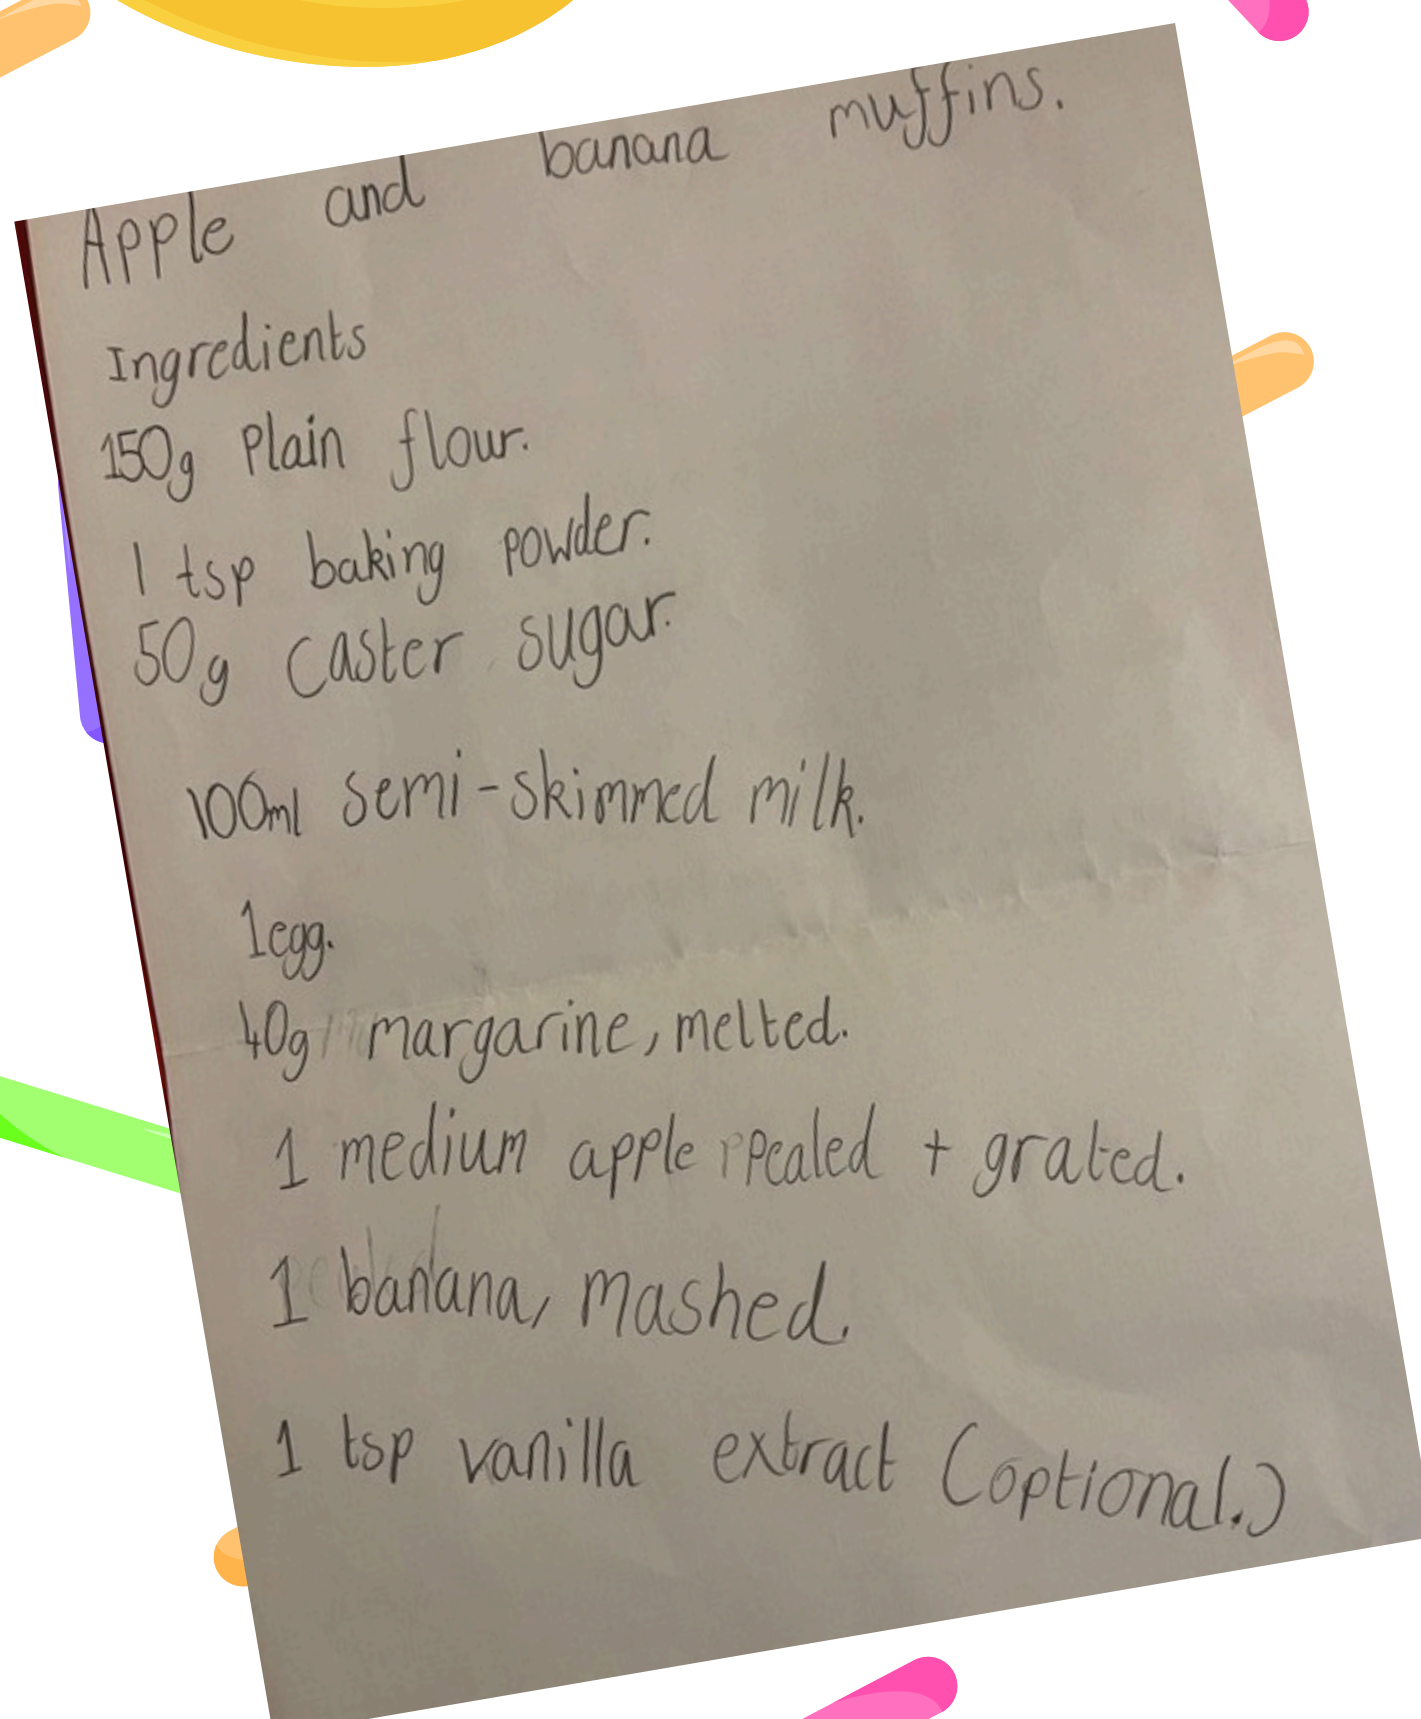

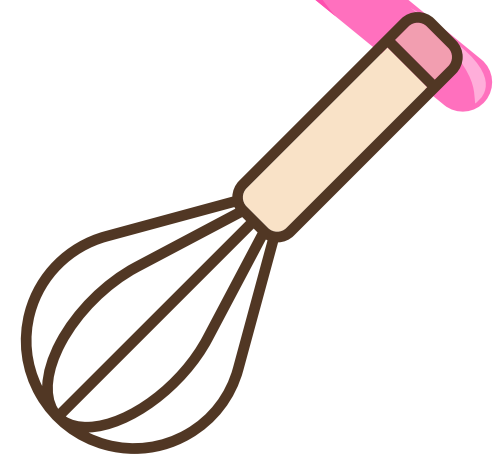

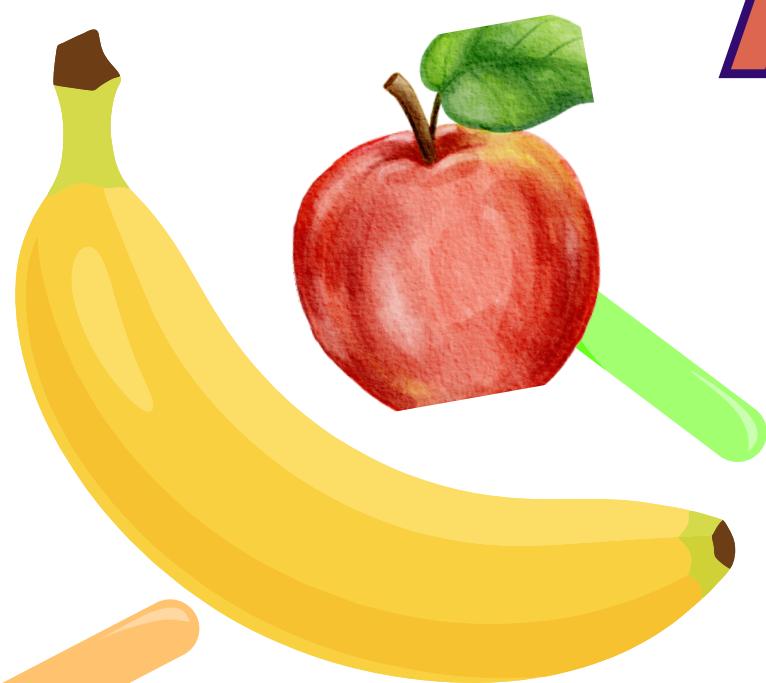

Y1 Salvation Army

Children in Year 1 had a special visit from members of the Salvation Army. The visitors explained how they support families by providing food and essential products to help keep people safe and well. The children listened carefully and asked lots of thoughtful questions about how they help people in need. Year 1 also kindly donated lots of food for the ladies to take back to the Salvation Army to share with others in the community.

Fun facts about cats!

By Betsy

Cats can leap up to six times their own height!

They see in a dimmer light than humans.

They have super senses!

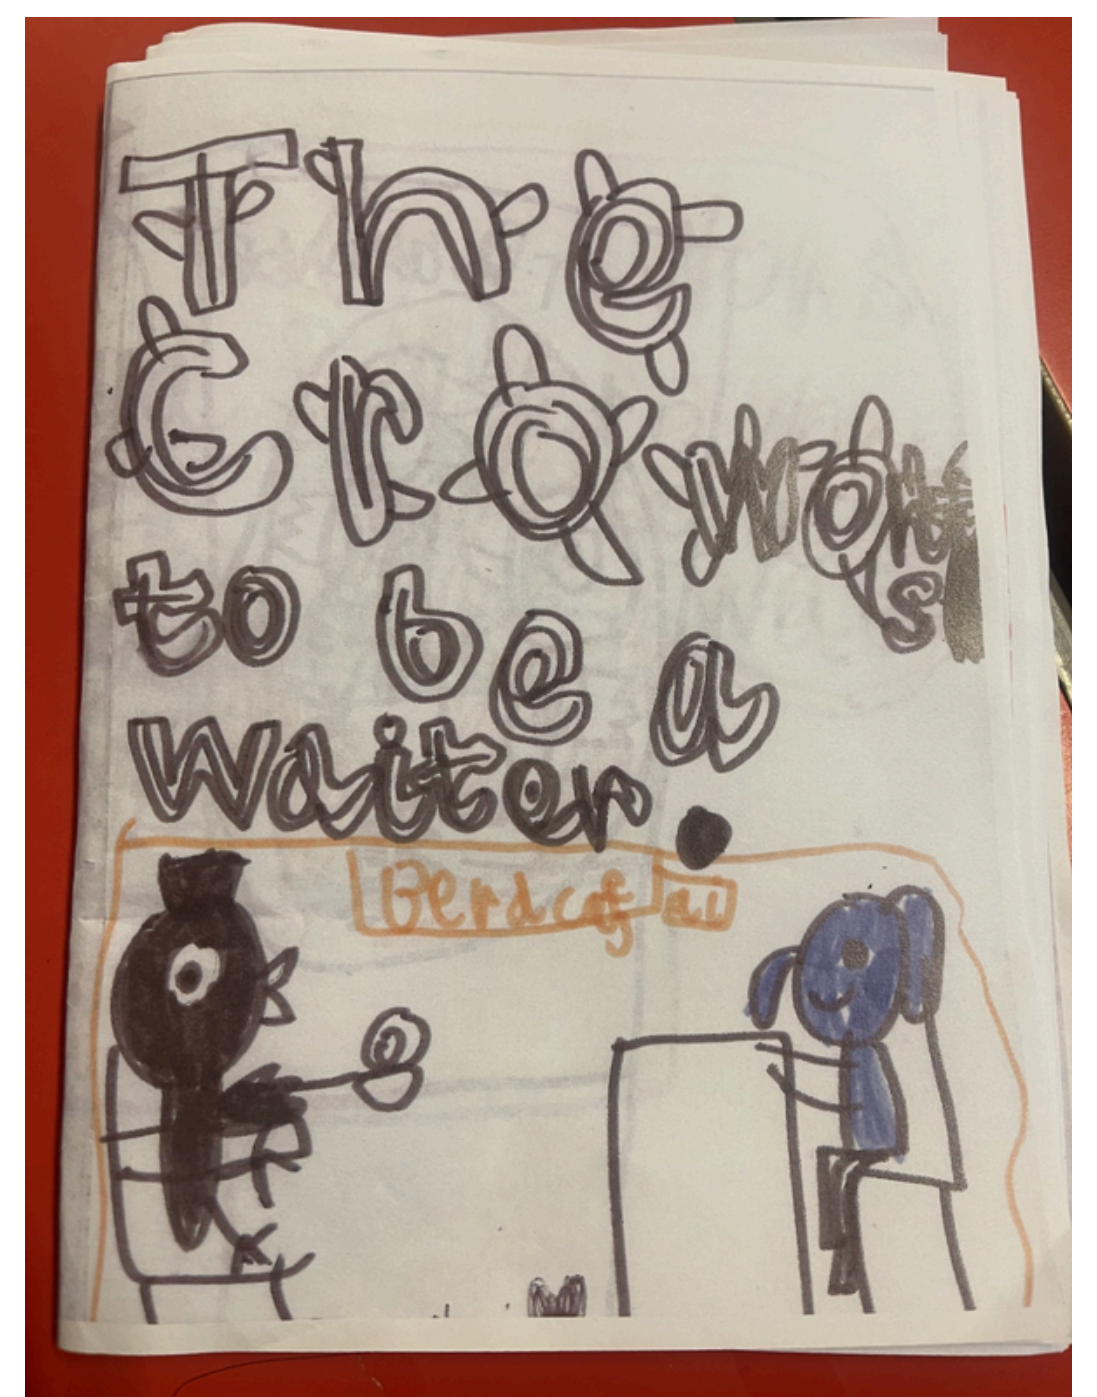

Cats purr when they are happy!

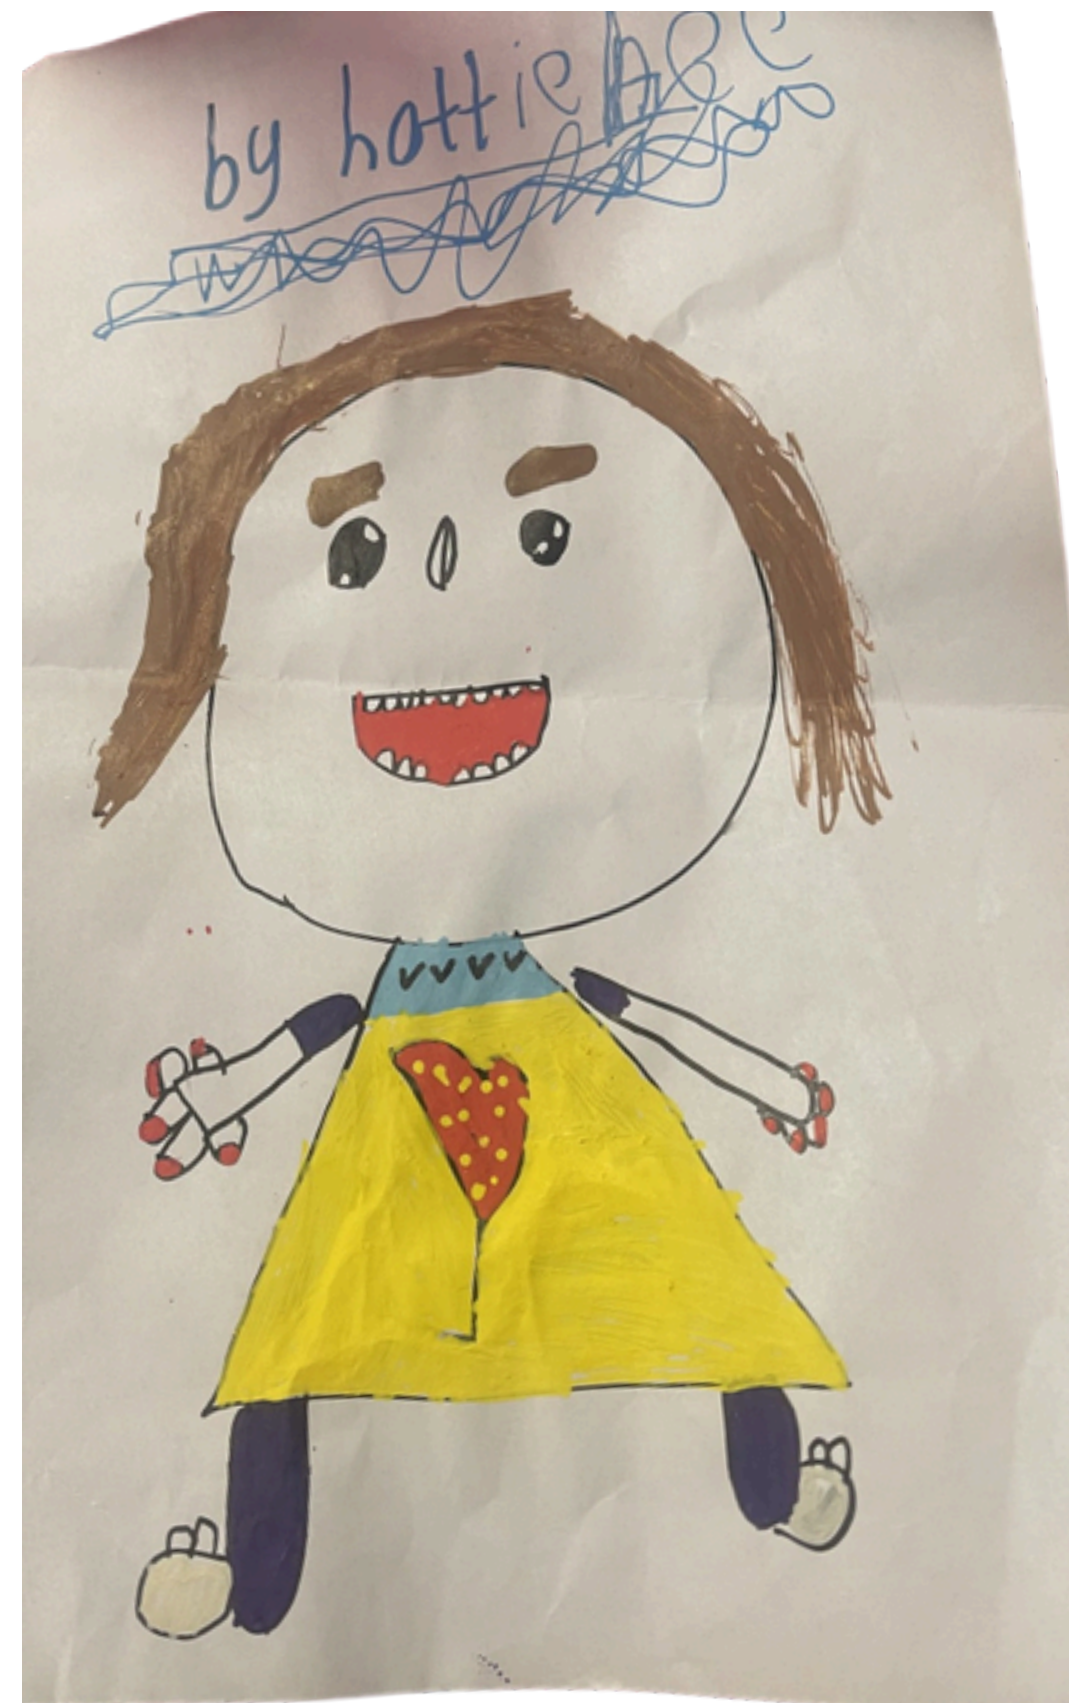

Their whiskers are not just on their face but all over their legs and they use them like high-tech sensors to check if they can sneak through spaces.

The crow wanted to be a Waiter.

Ophelia used her imagination to turn her daydream into a real story. By using creativity as her guide, she wrote a book filled with colourful characters, magical places and exciting adventures!

Settling Spring

Winter hides and flowers blossom,
 Blows the wind pleasantly,
 Drips of soaking rain,
 Young grass springs again,
 Birds sing and pair,
 When life's alive and everything,
 Tips of tender green sprout a new,
 There is no time like spring.

By Poppy

A Spark to Change the World.

Year 1 began the new term with a visit from the CEO of the Flying High Trust. Mr Wheatley left the children feeling empowered and excited about their future. The CEO encouraged all of the children to believe in their ability to contribute kindness and care to our world- no matter their age.

A special moment came when the children were able to see and even touch, Mr Wheatley's OBE, awarded for his impact on education! The pupils were fascinated and proud to learn about his achievement.

HOOK DAY NEWS

NURSE VISIT

By Emmy

Year 1 had a special visit from Nurse Sandra, who came to talk to the children about how the NHS has changed over time. She explained what it was like for nurses during COVID-19. The children were very interested and asked lots of questions. Nurse Sandra also showed pictures from the past so the children could see how nurses' uniforms have changed over the years. It was a very interesting visit and helped the children learn more about the important work of the NHS.

SATS TOP TIPS

With SATs coming up here are some top tips to help you:

- Complete the practice books.
- Go to the booster groups.
- Talk to your teacher.
- Make sure you have a balance, it's important to rest too.
- Do 15 minutes of revision while your tea is cooking!
- Watch the maths videos on Dojo
- Make some revision flash cards

By Andrea and Halle, Year 6

PE EVENT

This term children from all 3 schools competed in a Flying High Sports Event.

12 infant children and 12 junior children went to Kirkby Leisure Centre where they proudly represented Team Pinxton. The children took part in field events such as speed bounce, javelin and chest throw. They also competed in various running races, jumping over different sized hurdles. The infants came second and the juniors came third. "We had to jump over the hurdles, it was really fun but tricky!" said Marcelina. Lexi said, "it was really great to represent Team Pinxton!" A BIG well done to all children who participated and made Team Pinxton proud.

YEAR 2 STEP BACK IN TIME FOR GREAT FIRE OF LONDON DRAMA DAY!

Year 2 kicked off their new enquiry, 'What things change and what things stay the same?' by taking part in a workshop run by Fresh Water Theatre Company. Olen said "we got to act out the Great Fire of London, it was so much fun!"

The children were taken back in time to the day before the Great Fire of London began. They had an amazing time acting out the roles of street sellers, and Hannah Farriner as they pretended to be local people of London fighting the fire.

INFANT BOCCIA CLUB ROLLS INTO ACTION!

Our after-school Boccia club has been a huge success and the children have loved it! Joewise said, "I have loved playing Boccia, it has been so fun to learn a new sport."

The children have enjoyed learning new skills, improving their aim, and working together as a team. Rihani said, "I have loved throwing the balls, I feel like my aim is getting much better." There has been lots of cheering, laughter, and friendly competition each week. Jesse T said, "I have loved Boccia club as I love spending time with my friends."

Mr Wheatley explained to our reporters, that Boccia involves "getting the ball as close as possible to the jack."
