Friday 23 October 2026

Dear Parents/Carers,

We are very excited about our enquiry **'Is it survival of the fittest?'** Throughout the Spring term the children's learning will have a heavy focus on History, learning about prehistoric times and how humans learnt to develop their knowledge to survive.

As part of this learning, we are offering the opportunity to visit Creswell Crags for a prehistoric day as part of the children's learning. This is an interactive opportunity for the children to take part in and have a chance to develop their understanding of prehistoric times!

The trip will take place on **Thursday 14th January 2027.** On that day, we will be leaving school at **9.15am** and will be back in time for the end of the school day. Your child will need to be in full "Team Pinxton" PE Kit and bring with them a packed lunch and water bottle.

If your child receives free school meals, school will provide a packed lunch for your child if you require one. The school office will send out a Microsoft Form by email on **9/11/26** for you to complete and let us know if you would like one ordering. This will need to be back with us by **01/12/26.**

In order for the trip to go ahead, we are asking for a voluntary contribution of £23 per child. This includes the price of the coach and the workshop at Creswell Crags and accounts for every child going on the trip. This will need to be paid using Parent Pay from **9/11/26.** If your child receives the pupil premium, this price will be discounted on Parent Pay.

Permission for this trip will also need to be given using Parent Pay. If we are unable to meet the costs of the trip through voluntary contributions, the trip will not be able to go ahead.

Many Thanks

The Year Three Team
