Friday 23 October 2026

Dear Parents and Carers,

We are delighted to invite you into PVA for a special opportunity to observe live maths lessons in action!
On **Wednesday 4th November at 9:00am**, parents of children in **Reception, Year 1, and Year 2** are warmly welcomed to join us at both the **John King and Longwood sites**. This event is designed to give you a first-hand look at how we teach early maths skills and how your child engages with learning in the classroom. The session will last 45 minutes.

Our lessons follow an adaptation of the White Rose Maths scheme, a highly regarded mastery approach by the Department for Education that builds strong foundations in mathematical understanding through engaging, practical, and structured activities. During your visit, you'll see how children develop key early maths skills such as number sense, counting, pattern recognition, and problem-solving—all in a supportive and stimulating environment.

We believe that involving parents in their child's learning journey is incredibly valuable, and we hope this experience will give you an insight into the methods we use and how you can support your child at home.
To help us plan for the event, please follow the link to confirm your attendance: Maths Live Lessons - INFANTS (Wed 4th Nov 2026) – Fill in form
or scan here:

We look forward to welcoming you into school and sharing the joy of maths learning with you!
Thank you for your continued support,
Mrs Moody & Miss Denton
