Tuesday 17 October 2023

Dear parent and carers,

We are writing to introduce an exciting new initiative at Pinxton Village Academies – our Early Language Programme. We are thrilled to announce this innovative approach aimed at nurturing the language development of all our children.

Our Early Language Programme is built on extensive research and utilises the ‘Universally Speaking’ assessment tool, a validated research informed tool designed to measure language development in children. We have created a graduated approach to developing early language skills, ensuring that each child receives the support they need.

Working in partnership, we have created an early language section on our school website. In addition, we will be sharing a series of information videos and regular updates on our social media platforms. We welcome you to visit our website and follow us on social media to stay updated on our language development journey.

We know that a strong foundation in language is essential for academic success and positive health and wellbeing. By implementing this comprehensive early language program, we are empowering our children to communicate effectively and express their ideas with confidence.

We are grateful for your continued support and partnership in our mission to provide the best possible education for our children. If you have any questions or would like more information about our Early Language Programme, please do not hesitate to contact us.

Thank you and we look forward to embarking on this enriching language development journey together.

Yours sincerely,

Mrs Carlin and Miss Dickson
