Dear parent and carers,

As you know, at PVA we love to read. Reading is the passport to the world and the benefits of reading open children up to ideas, experiences, places and times they might never otherwise experience in real life.

As part of a new initiative to help provide a range of sources for reading at home, we have created a 'virtual library'!

If you open the attached PDFs and click on any of the books, it will take you to a video of that book being read aloud.

These will also be shared on the school website. Please follow the link: [Virtual Library October](#)

# Welcome to Pinxton Village Academies Virtual Library OCTOBER

This month, our selection of books supports our children's spiritual, moral, social and cultural development and personal, social and health education. Share and enjoy these books as a family. If you have any book recommendations for next months library, please let us know.

We really hope you enjoy all of these amazing stories! Have fun reading!

Thank you

Mrs Carlin and Miss Dickson
