

As part of anti-bullying week we created a class 'Make a Noise About Bullying Poem'

The children can use wasteful banter every day.

Make sure we're all ok.

Violence is not the answer

If there's no fun just tell your mum.

Don't ignore the bullying: report it.

Bullying isn't better than bantering

If someone is bothering you, don't be afraid to tell.

Bullying: It's crucial we need to stop it.

Make a poster so people can think about what they're doing.

Always speak up politely.

Stand up for yourself and other people too.

Comfort the victim; confront the bully.

Stop kids from starting banter.

Stop bullying forever.

Together we can stop bullies.

Don't take it out on others.

Don't be afraid to explain how you feel.

If the banter isn't a joke, give them a poke!

Don't try to be funny, don't be a bully.

Banter isn't any better than bullying.

Make it stop: Have it stopped!

Do something better with your life instead of bullying.

Just speak up and don't be afraid.

Ask the bully why!

Don't encourage the bully.

Give advice and stop the bullies!

If the bully gets mad, stand your ground.

If you get sad don't stick around.
